

SC4 BLOCK SPLITTER SPECIFICATION SHEET

birchwood
products ltd

PRODUCT: SC4 Block Splitter
PART NO.:

Iss. 01 Iss. Date 06/07/06

Adjustable Block Cart

The SC4 block splitter has been ergonomically designed to make cutting composite and the majority of paving blocks effortless.

It's long life blade means that it not only gives you accurate cuts every time, but it will outlive other splitters. With a tough heavy-duty construction it will stand up to the toughest tests time and time again.

The SC4 offers the ultimate in quality and is unrivalled for durability.
